RE: Inquiry Regarding Progress on Anti-Discrimination Initiatives within the GC

The Honourable Mona Fortier, P.C., M.P.
President of the Treasury Board

Dear Minister Fortier,

Please accept my thanks for your leadership at the Treasury Board Secretariat. My name is Ashar Ahmed - I am a Computer Science / Cyber Security student and former tech & policy analyst, originally from New York.

During my service, I witnessed and was subject to discrimination within the workplace. At home, the *U.S. EEOC* works hard to combat this issue, but I'm curious to know of any work the *Treasury Board Secretariat* is doing in this area to ensure the GC is accessible and open to all Canadians.

Thank you again for reading and your leadership.

Thanks / Merci,
